

Calling All Black, Indigenous and Latino/a Students! Want to Learn More About a Career in Health Care?

Join the Middlesex Health Medical Explorers Program!

As a Medical Explorer, you will be guided through a simulated patient case as it moves along the health system. You will gain exposure to a variety of career paths and learn from health care professionals what it takes to be successful in a health care career.

Program Eligibility: Black, Indigenous and Latino/a students who are in **grades 7 through 12 or recent high school graduates** who are interested in learning about a variety of health care fields.

Application is required.

Winter/Spring Session 2023

Dates: **Thursday, January 26**
Thursday, February 23
Thursday, March 23
Thursday, April 27
Thursday, May 25

Time: **6 p.m. - 7:30 p.m.**

Format: **Zoom**

Optional in-person experiences also will be available to participants.

Black, Indigenous and Latino/a individuals are extremely underrepresented in health care professions in the United States, which contributes to health disparities for people of color. This program is designed to help address this lack of representation.

The Middlesex Health Medical Explorers Program is an initiative under the Middlesex Health DRIVE Change Action Committee.
